QUESTIONS

How will the Dive Team benefit from your membership?

What tasks of diving make you most uncomfortable?

Any prior experience working with Public Safety agencies?

This is not a dive club. When a call for assistance comes out, each person is depended upon to respond when not at work. Are you willing to be on-call 24 hours a day, 7 days a week, except hours at work?

Lee's Summit Underwater Recovery, Inc. is a not-for-profit, all volunteer organization, which supplies the community a valuable service. We rely solely upon the community for skilled volunteers without regard to their race, creed, religion, and sex or skin color.
